By Bus

The following buses will drop you at the gates of the Hospital:

54A, 65, 65B, 27 and 77A

For details of pick-up points along any of these routes, contact Dublin Bus on (01) 8734 222 or log onto www.dublinbus.ie

By Luas

The Hospital is accessible through the red line on the Luas. The line starts at Connolly Station, runs through Middle Abbey Street, Heuston Station, and finishes in Tallaght. The Hospital is adjacent to the second last stop on this line, aptly-named, "Hospital". Although the nearest Luas stop for the main hospital is indeed called "Hospital", if any of you are travelling by Luas to the CLD, you would be well advised to disembark at the "Cookstown" stop, walk along the side of the hospital to a large set of gates on your left, and entire the grounds via this entrance. The building immediately in front of you will be the Trinity Centre and if you follow the road to the left, you will come quite quickly to the CLD.

By car via the M50:

Travel south on the M50 and exit at junction 11.

Follow the signs for Tallaght. You are now travelling on the N81. Continue straight on this road for approximately 1km through the roundabouts and traffic lights.

The landmarks that you pass on the right include the Plaza Hotel and the Square Shopping Centre, and on your left, a public park.
